

Public Law 102-215
102d Congress

An Act

Dec. 11, 1991
[H.R. 3012]

To amend the Wild and Scenic Rivers Act by designating the White Clay Creek in Delaware and Pennsylvania for study for potential addition to the National Wild and Scenic Rivers System, and for other purposes.

White Clay
Creek Study Act.
Conservation.
16 USC 1271
note.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “White Clay Creek Study Act”.

SEC. 2. FINDINGS.

Congress finds that—

(1) the White Clay Creek watershed is one of only a few relatively undisturbed areas remaining within one of the most densely populated areas in the country;

(2) the Creek and several of its tributaries were placed on the Nationwide Rivers Inventory List by the National Park Service for initially meeting the criteria of the Wild and Scenic Rivers Act (16 U.S.C. 1271 et seq.);

(3) the concerns and interests of those people who live, work, and recreate within the watershed will be reflected in the development of a study and management plan by the Secretary of the Interior pursuant to this Act; and

(4) the conservation of the watershed, and its outstanding natural, cultural, and recreational values, is important to the residents within the watershed and to the residents within the surrounding suburban and urban areas of Delaware and Pennsylvania.

SEC. 3. STUDY RIVER DESIGNATION.

Section 5(a) of the Wild and Scenic Rivers Act (16 U.S.C. 1276(a)) is amended by adding at the end the following new paragraph:

“(112) **WHITE CLAY CREEK, DELAWARE AND PENNSYLVANIA.**—The headwaters of the river in Pennsylvania to its confluence with the Christina River in Delaware, including the East, West, and Middle Branches, Middle Run, Pike Creek, Mill Creek, and other main branches and tributaries as determined by the Secretary of the Interior (herein after referred to as the White Clay Creek).”

SEC. 4. STUDY AND REPORT.

Section 5(b) of the Wild and Scenic Rivers Act (16 U.S.C. 1276(b)) is amended by adding at the end the following new paragraph:

“(11)(A) The study of the White Clay Creek in Delaware and Pennsylvania shall be completed and the report submitted not later than 3 years after the date of enactment of this paragraph.

“(B) In carrying out the study, the Secretary of the Interior shall prepare a map of the White Clay Creek watershed in Delaware and Pennsylvania, and shall develop a recommended management plan for the White Clay Creek. The plan shall provide recommendations

as to the protection and management of the White Clay Creek, including the role the State and local governments, and affected landowners, should play in the management of the White Clay Creek if it is designated as a component of the National Wild and Scenic Rivers System.

“(C) The Secretary shall prepare the study, including the recommended management plan, in cooperation and consultation with appropriate State and local governments, and affected landowners.”.

Approved December 11, 1991.

LEGISLATIVE HISTORY—H.R. 3012 (S. 1552):

HOUSE REPORTS: No. 102-344 (Comm. on Interior and Insular Affairs).

SENATE REPORTS: No. 102-233 accompanying S. 1552 (Comm. on Energy and Natural Resources).

CONGRESSIONAL RECORD, Vol. 137 (1991):

Nov. 23, considered and passed House.

Nov. 26, considered and passed Senate.
